

PRO HEALTH INTEGRATIVE MEDICINE

Concierge Medicine Programs & Rates

- We are excited to introduce our Concierge Medical Program, featuring flexible monthly and annual payment options for both individuals and families with many inclusions and benefits. **Inclusions listed below*
- *These plans are designed to be cost effective, putting the patient first. *Prices listed below*
- Our program is designed to benefit everyone. You save money and so do we by lowering our administrative overhead.
- *We offer low monthly cash-pay discounted rates - and access to your provider - making your healthcare more accessible and affordable than ever*
- Many families use Concierge Medicine for their daily medical needs, lowering their monthly insurance premiums substantially.
- *These programs qualify for use of your HS*
- We are partnered with other like-minded medical providers and labs, that also offer cash-pay discounted rates, which can help reduce expenses compared to premium and out-of-pocket costs through insurance companies.
- *You have options! You can still access our medical services without enrolling in the Concierge Medicine program. All patients are welcome to receive excellent medical care as needed. *Prices listed*
